SCENERY IMPETUS FOR BUSINESS

"Hudson of the Monongahela Valley" Has Been Transformed From 30 Years Ago to a Present Beehive of Industrial Activity

THE OCTOBER BUSINESS

Shows Shipment of 2,121,942 Tons—Of This Amount 1,036,016 Tons Were Shipped From the Monongahela River Solely

In the language of one of the pioneer literary debaters of this section in this particular reference Speers, North Charleroi, and Twilight—a successful business man of this borough: "Go with me, if you please, and I will tell you of the wonders of the beautiful Monongahela river."

In these days, some 30 years ago, the beautiful scenery of the old Monongahela river, was only surpassed by the famous Hudson. With all its wonderful and magnificent scenery our own Monongahela was oftimes referred to by tourists as the "Hudson of the Monongahela valley."

But in recent years it has been emleanly demonstrated that beautiful scenery could not stay or withhold the great hand of progress and should one of those tourists who used to travel up the Monongahela river on some one of the palatial packets, such as the Elisha Bennett, Chieftain, Elector, or James G. Blaine, with their fully equipped store rooms, large dining halls, and ever ready equipments; with polite, and accommodating officers, all going to make life on the river one of pleasure, return today, what a change they would note has taken place in recent years, which can also be vouched for by anyone of the old pioneers living at present (apology to Captain Jack O'Neil of Charleroi.)

Figures and statistical reports are dry reading to the majority of people but a few compiled in this respect will only go to show that the Monongahela river industries are the greatest from year to year in the world

The combined shipments of coal, coke sand, gravel, all steel and manufactured products in miscellaneous articles of all kinds from the Allegheny, Ohio and Monongahela rivers for the month of October aggregated 2,121,942 tons Of this amount 1,036,016 tons were shipped from the Monongahea river alone, showing the output to be almost equal to both the other two rivers combined.

At the present time there is loaded and ready for shipment a combined cargo of steel and iron products at Pittsburgh comprising shipments from the Jones and Laughlin Steel company Carnegie Steel company, and the Pittsburgh Steel company The latter manufactured mostly at the Monessen and Allenport mills.

The shipments of iron and steel from Pittsburgh and the Monongahela valley by river is fast gaining ground and the shipments for the present year will suhpass those of previous years.

The new Sailor, owned by the Vesta Coal company will have charge of the cargo of he Jones and Laughlin Steel company, while the William G. Clyde of the Carnegie Steel company will have in her care that of the Carnegie Steel company and that of the Pittsburgh Steel company.

The combined fleet will depart on the first rise in the river, as at present it would be impossible to make any shipments on account of the extremey low stage in the Ohio river.

BUILDING WORK IS TEMPORARILY STOPPED TODAY

T. D. Williamson, local real estate dealer, who is erecting a one-story addition to his business structure at 402 Fallowfield avenue, was temporarily stopped this morning by Chief of Police James A. Murphy under instructions of the fire committee of council Messrs Troxel, Wallenstord and Fire Chief Henry D Lowstuter, pending a perspective of the plans, which were produced by Mr. Williamson and beaing satisfactory, labor on the same was resumed this afternoon

Mr. Williamson is extending the interior improvement to the alley and is also building a brick annex to the structure occupied by the Lee-Nelson Grocery formerly the J. E. Masters Grocery, at 400 Fallowfield avenue.

GRANT HURT IN AUTO ACCIDENT

In a telegram received by C S Bliss from Orlando, Florida, late Saturday night, it was learned that Thomas P Grant, of Washington avenue, who is wintering in the south, and who last Wednesday morning was seriously injured in an automobile accident, is out of danger after being in a very precarious condition for several days

The accident occurred while Mr. Grant and Samuel Jones of Belle Vernon, who is also wintering in Florida, were driving from Orlando to the Grant ranch at Lockport; each driving a machine, Grant in the lead An automobile coming in the opposite direction ran headon into the Grant machine, while Jones, being unable to bring his machine to an instant standstill, crashed into the rear of Mr. Grant's car The local man was thrown head first from the car and suffered a slight contusion of the brain in addition to numerous lacerations and bruises Jones was not hurt, although he too was thrown from the machine. Both cars were badly damaged.

The driver of the offending car was placed under arrest.

Mr. Grant had been in a very serious condition at his home ever since the accident, not regaining consciousness until Friday.

Mr. and Mrs. Grant left Charleroi in October, and according to their annual custom, spend the winter months in Florida.

Berryman Wins Over Schafer In Contest

One of the most successful affairs ever held by the American Legion Auxiliary Unit No 22 came to a close Saturday evening when their Bazaar was concluded at the "Dugout" after a week brimful of pleasing activities enjoyed by large crowds.

The musical program presented Saturday evening, consisting of vocal solos given by Mrs. Earl Nicholson, and Mrs Harold Toner, accompanied on the piano by Mrs C Warren Kinder, were greatly appreciated by all

The Auxiliary members are greatly pleased with the success of their bazaar which far surpassed their anticipations They wish to take this means of thanking all friends and members, who kindly donated articles and also those who took part in the musical programs during the week

The money made by the Auxiliary will be used to help sick and disabled soldiers. With the approach of Christmas, Christmas boxes will be made up by the ladies and sent to different hospitals and sanitariums Many of the soldier boys have no relatives or friends to cheer them in this way and the Auxiliary by sending gifts, Christmas cards, candy and the like, help to make them feel there is someone interested in their welfare. In many cases the Auxiliary helps the families of these ex-soldiers. Those who patronized the bazaar last week were certainly contributing to a worthy cause.

The contest held between John B. Schafer and John D. Berryman was won by the latter He received a gold-headed cane, the gift of Jacob Wise.

EXPLOSION WRECKS A SCHOOL BUILDING

Pittsburgh, November 17—With a report that could be heard for several blocks a mysterious explosion wrecked a portable building used as an emergency school on the grounds of the Grand School in Bellevue early today. There are no gas connections in the building and the blast is a mystery. There was no fire.

Cop Kills A Robber Caught With The Loot

While attempting to draw a gun on Patrolman George Nicholson of the Duquesne police force, when he placed him under arrest at 3 30 o'clock yesterday morning, John Hritzo, 28 years old, of 145 South Fifth street, Duquesne, was shot through the heart and killed by Nicholson

According to the police, Hritzo had been discovered rifling the cash register in a poolroom in Duquesne avenue.

The patrolman waited in the alley until he came out Nicholson drew his revolver and ordered him to go along quietly Hritzo, according to Nicholson backed away a few steps and thrust his hand into his overcoat pocket. Nicholson fired and Hritzo dropped to the ground.

On examination it was found Hritzo had a 32 calibre automatic pistol in his pocket He had $40 in change which was taken from the cash register and a small quantity of cigarets and tobacco believed to have been taken from the cigar stand.

SUPREME COURT UPHOLDS LOWER

Philadelphia, Nov. 17. — The Supreme court in session here today upheld the conviction of fourteen men found guilty last spring in taking part in the Ku Klux Klan riot at Lilly, Pa

The defendants were indicted in quarter sessions court in Cambria county. They were sentenced to a term of two years each in the Cambria county jail

Appeals were taken to the higher court mainly on the ground that young Judge Finletter, who conducted the trials, had refused to grant separate trials and stated exceptions were taken to certain parts of his address to the jury.

The Soviet Charge d'Affaires in London who is sure that Japan and the United States will soon extend recognition to the Russian government is quoted as saying that "we have warm friends in the Republican party" of America. Senator Borah at once comes conspicuously to mind.

TO BUY MORE FOREST LAND

Harrisburg, Nov. 17.—Endorsement of the proposed State bond issue to buy additional forest land was today voted by the convention of the Pennsylvania League of Women Voters. The delegates agreed to call upon the next legislature to act favorably upon the measure so that it may be submitted promptly to public vote.

Resolutions, presented by the State Conservation Council, were adopted by the women in behalf of the project. They stated the forest bond issue would provide an adequate supply of timber for future generations; would afford shelter for wild life, protection for water supplies, and would yield enormous financial profits to the Commonwealth

It was pointed out that the forest bond issue idea originated in the Committee on Constitutional Amendment and Revision called by Governor Sproul in 1919 Also, it was declared to be impracticable to depend upon legislative appropriations of forest land purchase. The women said adequate funds could be provided only by a $25,000,000 bond issue

According to officials of the Conservation Council similar endorsement of the Forest Bond issue has been given recently by the State Chamber of Commerce, and the State Federation of Women's Clubs.

FAREWELL TO REV. ROBERTS WELL ATTENDED

The Young People's Rally and farewell service for the Rev. Albert N Roberts of Holy Trinity Mission, Monessen, who is leaving next month for the mission in Brazil, that was held in Trinity church, Pittsburgh, yesterday afternoon, was very largely attended by members of the church coming from all parts of the Pittsburgh diocese

There were fourteen members attended from St Mary's church, Charleroi, and approximately 35 members from Monessen. The service was very interesting and those who attended feel doubly repaid for the long drive through the storm

Rev. F C. Lauderburn, chairman of the Young Peoples League, acted as master of ceremonies and introduced the speakers, Rt Rev Alexander Mann, Bishop, being the first on the program Bishop Mann made his address very brief, in which he expressed his appreciation to all those who attended and paid a high tribute to the departing rector, Rev. Roberts

Lewis B Franklin, vice president and treasurer of the National Council, gave the main address He dwelt on the many Episcopal missionary fields now in operation throughout the world and urged the cooperation of all in the work

The final address was made by the Rev Roberts, who expressed his enthusiasm for his forthcoming work as a missionary and thanked all for their cooperation and friendship in the past

Following the service, the congregation were served light refreshments in the dining room of the parish house.

Those who attended from the local parish were Mr and Mrs Alfred Waldman, son Fred, Miss Sarah Matthews, Frank H. Wilmot and son Harry, Mrs Andrew Murray, Harry C. Yon, Mrs. S W Fellows, daughters Della and Ruth, Rev. Sidney H. Dixon was one of the number of priests who officiated at the service.

FIREMEN TO PLAY THANKSGIVING DAY

Married And Single Men of the Charleroi Fire Department Will Meet At the Charleroi Baseball Park On the Holiday

BIG GAME OF THE SEASON

Good Football Material In Department Promises Large Attendance — Proceeds Will Be Devoted For Benefit of the Christmas Tree Fund

Charleroi has been known for its prowess in football, and after the big things that have been "pulled off" during the year the old men and the young men of the town have been telling what they would have done had they been in the place of some of the stars of the Charleroi High School and the California Normal team Some of those fellows say that the plays that were made under the direction of Coach Stepanian and Coach Allison could have been improved upon had they been on the field at that time, so that our old reliable Charleroi Volunteer Fire department has made arrangements to give some of those "would-be" football players an opportunity to show what they can do and a game has been arranged between the married men of the Charleroi Fire Department and the single men of that same organization.

There is some good material in our fire department for a regular football game. Some of the old time football men of the town are members of that organization and accordingly a game has been arranged for the afternoon of Thanksgiving day Thursday, November 27.

It will be noted that the Charleroi High School team plays Donora at Monessen on Thanksgiving morning, and all the thrills along the High School line will be finished by noon time and of course in the afternoon these same old men will be telling now Charleroi should have played Donora at Monessen. This game in the afternoon at the Charleroi Baseball park will serve as an opportunity for all to show what they could have done had they been in the morning game

There is much rivalry between the married men and the single men of our local fire department. Coming out of the local football season there has been many things said—and things thought of any many things that some of the leading coaches should have done so that the married men and single men will have opportunity on that afternoon to show whether these football mentors know football or not.

All in all it is going to be a good friendly afternoon's fun among a good friendly crowd of our own home fire fighters down at our own home baseball park and it is estimated that Charleroi will turn out enmasse to see some of our old time stars in action.

The married men's team which will be captained by Henry "Mutt" Lowstuter chief of the fire department, who has under his wing "Chuck" Lowstuter, "Jud" Wolfe, "Bill Lowstuter, "Red" Balmer Joe Entrott, Joe

A LEADING RESIDENT DEAD

Joseph Addison Bryan 85 years old, died Saturday morning at his home in Park avenue, Monongahela, after an illness due to his advanced years. He was born in Morgan township, Greene county, on September 12, 1839, the son of John and Rachel Arnold Bryan. Educated in the township schools of that early day, he was for years a school teacher in many points of Greene and Washington counties

On March 9, 1865, in Pittsburgh, Mr. Bryan enlisted as a private in Company F, Sixth Pennsylvania Cavalry, and was honorably discharged from the service July 14, 1865 On March 22, 1873 he was married to Rosanna Hull To this union four children were born, as follows: Mary J. Bryan, Bessie Bryan, and John Bryan, at home and Robert Bryan of Fredericktown

In 1880 Mr Bryan was elected a constable in First ward, Monongahela. In 1891 he was appointed an alderman of the same ward by Governor Robert E. Pattison, and in 1892 he was elected to the office In 1899 he was elected mayor of Monongahela City and served very acceptably for two terms He was a member of the Monongahela post of the Grand Army of the Republic Mr Bryan was reared in the faith of the Cumberland Presbyterian church at Vanceville and later transferred his membership to Monongahela and remained an active member of the congregation until his death Joseph A Bryan was a man of keen intellect, brilliant mind, and unusual attainment.

Vice President-Elect Undergoes Operation For Hernia---Condition Good

Chicago, Nov 17. — Charles G. Dawes, vice president-elect, is in Evanston hospital today recuperating from an operation for hernia.

While Dawes' physicians declared the case to be minor in character, they said the patient might be confined to the hospital for two weeks.

Dawes was operated on late Sunday, only a few hours after recurrence of an attack of rupture, which first [illegible] six years ago when the general was taking his examination for army service.

"The condition which developed, probably is an exaggeration of the trouble noted then," Dr. William R. Parkes, one of the physicians, declared.

Only a ocal anaesthetic was used, Dawes chatting during the operation. After the operation he dictated a teegram to President Coolidge explaining that the operation was not serious.

Dawes was going through his daily setting up exercises when he felt a sharp pain Mrs Dawes summoned Dr. Parkes and Dr. W. C. Danforth and they decided on an immediate operation. When the time came for departure to the hospital, however, the general walked to his automobile. He chatted good-naturdly with those around him as he was being prepared for the operating table.

During the operation he continued to direct good-natured comment at his physicians and their assistants.

Mrs. Dawes stayed at the hospital until her husband was placed in bed. The physicians gave orders that Dawes was not to be disturbed by anyone during his stay in the hospital.

Red Cross Workers Formally Inaugurate Their Work Yesterday

Charleroi Red Cross workers were busily engaged yesterday in the first day of the campaign and despite the unfavorable weather conditions, and the further fact that some of them were called out of town and the districts to which they were assigned were not covered, they did very well. These uncovered districts will be covered thisweek and it is hoped that the workers will all be received with the same degree of courtesy as marked the treatment accorded the workers yesterday.

The drive will continue [illegible] Thanksgiving day, and it is hoped that the response will be characteristic of Charleroi and North Charleroi people and the districts which the local Chapter represents. The quota here is only $3,500, and surely local people can easily meet it. The ladies and the gentlemen workers are interested probably as never before and the proper way for people to encourage them in their merited efforts is by their substantial approbation.

It is believed that the response will be more liberal as the canvass progresses; that the public wants the work this organization has started to continue. The various activities of the Red Cross are well organized and spread to all parts of the chapter.

There is no other agency for instance which would undertake or make even an effort at giving assistance such as is needed by the ex-service men. Their problems are constantly increasing instead of diminishing. It is far more economical to [illegible] the wholehearted workers of the Red Cross than by any other method.

The nursing activities of the Red Cross, too, are just as valuable. There is an urgent need at all times for such work as is being done by the Red Cross nurses.

Enrolling as a member in the Red Cross means giving support to the local chapter as well as the national organization. Sums donated go to the local chapter entirely.

FOREIGN COMMENT.

To the student of human affairs foreign comment on American elections is always interesting and not infrequently amusing The latter description may be appropriately applied to the German paper which reported that Mr Davis received the election returns at the house of his friend, Mr. LaFollette and to the German editor who discussed the possible effect on the League of Nations if Mr Davis had been elected president But ignorance of the simplest facts is not so noticeable in the comment on the election of Mr Coolidge Other German papers express satisfaction on the ground that the election of Mr Davis would have brought uncertainty and the election of Mr Coolidge will mean no great change in the American attitude toward Germany

French editors content themselves with polite remarks about Mr Coolidge whom they regard as friendly to France English editors, with a somewhat better understanding of our politics, go further and undertake to discuss the issues. Some regret that Mr Davis was defeated on the ground of his friendly attitude toward the League of Nations, but there seems pretty general satisfaction in the rout of LaFollette, who is compared with MacDonald by the Tory press The British Conservatives would appear to be instinctively in sympathy with the Republican party of these times and are said to welcome the triumph of Mr Coolidge more or less on the general principle of 'Long live the King"

Clairton High Is No Match For The Red And Black

Charleroi High added another victory to their string on Saturday afternoon at the local ball park, when they trounced the Clairton gridders to the tune of 45-0. The crowd was small compared to the Saturday before, somewhat chilled but wildly enthusiastic

The game was too one-sided to be of much interest although there were a few thrills. First "Barney" O'Brien's 80 yard gallop for a touchdown in the first period and then in the final quarter "Jigger" White's clever broken field running gave the crowd enthusiasm. "Jiggers' side stepped and wiggled through the Clairton team without much help from his second string teammates, but in spite of it he totalled 140 yards in gains while he was in the game He scored a touchdown The fans gave him a fine

Otherwise it was an uninteresting game, the Red and Black backs tearing through Clairton for a total of 30 first downs, which included seven touchdowns Clairton registered one first down on a Charleroi penalty

With the score at the 33-0 mark at the end of the first member of the first string having scored a touchdown, Coach Stepanian replaced his first string men with reserves, the last period found the entire second string team in action. They presented a varied attack against the bewildered but fighting Clairton team

At this juncture of the game Clairton tried a few line bucks but soon returned to their kicking game as they could make no headway against the second string line

Charleroi's passing game was not as successful as it might have been There were two that really figured in the scoring One to "Doc" Shenard who scored a touchdown on the play and another to Crytzer that paved the way to the second score.

Although overwhelmingly defeated the Clairton boys earned a great deal of praise by the way they went down fighting till the last whistle.

Gealey's consisting punting was the one bright feature of Clairton's play Crabb, Pateline, Crytzer and Captain O Brien for the regulars and White for the reserves played fine football while the Red and Black line almost without exception held like a stone wall The lineup.

and Roland Gass Ed Wilson and many other noted football stars.

On the strong men's team, which will be captained by Frank "Dutch" Wagner, now a member of California Normal Team, will be such stars as Tom Brown Tom Phillips, Dave Weaver, Roy Balmer, "Moot" McGuire, "Chappie" Latchem, Bruce Hayes, Dutch Kuppuweit and Johnny Lundy.

While the football enthusiasm is at fever heat and Charleroi High School is in the heighth of its march towards the W P I L E championship it is well that the citizens of Charleroi spent the Thanksgiving afternoon looking at the efforts of the Charleroi Fire Department's two teams.

It is a well known fact that anything the Charleroi Volunteer Fire department undertakes is always put over big so that this football game on the afternoon of Thanksgiving day is going to be one of the big events in the Monongahela valley and the managers of both teams are putting forth every effort to make it such

Arrangements are being made by the fire department to handle one of the largest crowds that ever attended a football game in this vicinity. The field will be roped off the same as in a regular High School game and a small admission will be charged, the proceeds to go towards the benefit of the fire department in payment for their Community Christmas Tree fund and it is hoped that everyone will turn out and make this one of the biggest efforts for the Charleroi Volunteer Fire department that has ever been made in the community.

Announcements will be made later telling where to buy tickets and the general arrangement of the game and it is understood that Thanksgiving afternoon in Charleroi will be one big day for Charleroi people and Charleroians generally instead of going to Pittsburgh and other places will have a big opportunity to spend the afternoon at home.

Many other fire departments in the Monongahela valley affiliated with the local department have signified their intention of coming to Charleroi on that day and the Brownsville West Newton, Monessen, Belle Vernon Monongahela and Donora departments will all be here to cheer the "old" men and the "young" men on to victory.

GRANGE HURT; MAY BE OUT FOR SEASON

Harold "Red" Grange, the Illinois backfield star, suffered in yesterday's game with Minnesota which probably will disable him for the rest of the season, attending physicians said last night.

Tackled for a 10-yard loss late in the third period, Grange's shoulder ligaments were strained an X-ray examination showed and physicians said the injury "almost certainly' will keep him out of any further games this season.

Greb And Delaney Meet Tonight In Motor Square Ring

With the appearance of a world champion and a home grown one at that Motor Square Garden tonight will attempt to shake off the jinx which has pursued it since the opening of the season. Like the other cards which ,while they looked good on paper failed to measure up to advance notices thep program tonignt shows Harry Greb, middleweight champion, facing a likely looking opponent in Jimmy Delaney of St Paul a protege of Mike Gibbons, and one who in his Pittsburgh workouts has shown that there is no need to rely on anything but his own ability to make him a pretty tough opponent for Greb.

Another factor which augers for a great bout, is the fact that of all the fighters with whom he has been thrown in during his 13 years of battling Greb has never met Delaney Past performances shaw that Greb's toughest assignment with any fighter is the first meeting and Delaney's all-around style is such that Greb may find a rough evening in store unless he is the Greb of old.

Delaney having a weight advantage of probably eight to ten pounds, in addition to a greater height and reach figures to make Greb fight at top speed to overcome this disadvantage. Past performances have shown that Greb always has an easy time with fellows bigger than himself but most of them have been slow and lumbering with othing but their size to recommend them Delaney is built along different lines and has shown enough stuff to merit the unqualified attention of Mike Gibbons the greatest boxing exponent in the ring. If Delaney didn't have something other than size it is hardly reasonable to suppose that Gibbons would bet led up with him.

BROWNSVILLE WINS FROM IRWIN; CONTEST IS FAST

The Brownsville Independents finding the Irwin Scholastics tough opposition for three periods, reeled off one of the best games of its season yesterday turning a threatening deadlock to a decisive victory in the fourth quarter by putting three men, two of them subs over their opponents' goal for the final 20 to 0 score.

The Scholastics fought for every inch and kept on even terms for the majority but Polets, quarter ,broke their morale in the middle of the final by cracking the left guard and slipping through a defending backfield on a 35-yard run for the first touchdown.

Long substituting for Miller at left end drew in a forward from Biddle a few minutes later, after he had stepped across the Scholastics' goal line and counted the second six points. Shortly after the kick-off, with only a few minutes to go, Sealy playing at LaSchall's position fell on a blocked punt behind the visitors' line after [illegible] down to their posts. Long kicked one of the tries-for-points and Riddle the other.

While bathing in the sea not long since an English factory girl swallowed the egg of an octopus, which in due course hatched out, clutched her vital organs with its tentacles and caused her death—or such is the yarn that spread throughout Great Britain and, is said, to have found thousands of ready believers.

PENNO AND MOORE IN SEMI-FINAL

One of the most attractive semi-final bouts ever offered at a McKeesport boxing show has been arranged by the Majestic club for its program next Thursday night at the Palisades rink in the Tube City, Young Penno of McKees Rocks having been matched to meet Joe Moore of California, Pa., for six rounds, the weight to be 144 pounds at 3 o'clock in the afternoon This event probably will carry almost as much appeal to McKeesport fans as the average main event, as Penno always has been a warm favorite there, and Moore showed real fighting stuff and made a big hit in two bouts recently with Young Xeny. Sensational slugging all the way is anticipated when the two come together

The announcement that Dick Conlon of Altoona and Frankie Stellmack of Cleveland will meet in the 10-round main bout struck a popular chord with the fistic fans of the Tube City and neighboring towns.

While neither of these lads lays claim to any championship both are accomplished ringsters and are well-known hereabouts.

Conlon has appeared in the Majestic club ring a number of times and always gave a pleasing exhibition.

Stellmack has never fought in McKeesport, but has appeared in several Western Pennsylvania rings Last year he fought Cuddy DeMarco at Beaver Falls, and showed class. His last fight took place November 3 and was with Tony Ross at Motor Square Garden, where he made a host of friends He has met Johnny Rini, Johnny Horwath and a number of others.

SLATED FOR PLACE IN SUPREME COURT

Arthur Prentice Rugg, chief justice of the Massachusetts supreme court, is regarded as the probable successor of Associate Justice Holmes when the latter retires shortly from the United States supreme court.

According to Marconi there exists in nature means for propagating energy still unknown to us, "which we vainly try to represent by mathematical formulas." Even nature is still largely a mystery, to say nothing of the spirit, of which in the view of some minds, it is the mere outer husk or covering.

69,695 SCHOLARS IN WESTMORELAND

In Westmoreland county schools, 69,697 boys and girls are now receiving instruction in the familiar three "R's" and all the other branches of a modern school curriculum. This interesting figure was announced Thursday from the office of County Superintendent of Schools W. G. Dugan by his assistant, Prof. F. Maxwell. Of the 69,697 school children, 36,168 are in the schools of the boroughs and 33,529 are in the schools of townships.

Westmoreland county has 39 boroughs and 23 townships.

Westmoreland county's institute will open December 15 and approximately 1,400 teachers are expected to attend New Kensington and Monessen which join with Rostraver township, have their own independent school institutes. Jeannette this year for the first time is holding her own institute. Latrobe and Vandergrift have their own institutes which take the form of extension courses. The Greensburg borough and Mt. Pleasant township join with county teachers in the annual institute

MRS. HARDING CASE IS COMPLICATED

Marion, Ohio, Nov. 17—Uremic poisoning has further complicated the case of Mrs. Warren G. Harding, ill at White Oaks farm near here, it was said early today.

This, in addition to the heart attacks which she has suffered periodically, has caused her to lose strength steadily since the latter part of last week.

For the past 48 hours she has been drowsy and has taken very little nourishment, leading to the fear that she is slowly slipping into a coma.

After two unfavorable statements Sunday Dr. Carl W. Sawyer, Mrs. Harding's physician, issued a bulletin at midnight saying that she had slept comfortably up to that hour.

Full ontrol of all branches of the Government puts the Republicans in a position to do whatever they may see fit and to bear the entire responsibility.

While the candles were lit, all joined in wishing the honored guest a happy birthday. The color scheme was carried out in pink. Each guest was presented with oriental baskets filled with candy and almond nut shells containing a surprise gift. These gifts antique articles, were purchased by Virginia's mother, Mrs. Aline Odbert at Manhatan, Colorado in 1916.

CORONER'S JURY HOLDS HANK

Pittsburgh, Nov. 17—William C. Hank, a wholesale meat dealer of Monongahela City, who was identified as the driver of the machine which struck and killed William Meehan, aged 55, of New Eagle, on the Elizabeth pike, November 9, was held on a charge of manslaughter by a coroner's jury today.

The evidence of the inquest showed that Hank failed to stop after striking Meehan. He was identified when a small part of a headlight lens found on the scene of the accident was found to fit a hole in one of his headlights.

LINCOLN FILM TO BE SHOWN AT THE MAJESTIC

"Abraham Lincoln" the picture which has been the sensation of the movie world, is announced this week as a First National picture, to be shown for the first four days of this week ,commencing with today at the Majestic theatre.

"Abraham Lincoln" was more than two years in the making, and at times as many as 2,500 people appear in the cast. It deals with the life of Lincoln from his birth, through his boyhood ,the presidency and the strife of the Civil War, depicts he surrender of Lee and shows life in Washington after the war and finally his assassination.

The production has been hailed as an artistic and dramatic sensation by the national press and is generally conceded to be one of the most important pictures ever brought to the screen.

First National's decision to distribute "Abraham Lincoln" is in keeping with its policy to handle production according to Richard Rowland, production manager.

George Billings, considered to be a perfect likeness to the famous national hero, plays the title role and Ruth Clifford is seen as Anne Rutledge. Nell Craig is Mrs. Lincoln. These are the principal figures in the remarkably fine cast. "Abraham Lincoln" was directed by Phil Rosen. Frances Marion wrote the scenario and supervised the editing.

The picture was produced by Al and Ray Rockett.

SCOTT PLEADS NOT GUILTY

Greensburg, Nov. 17.—James Scott, negro, of West Newton, pleaded not guilty when arraigned before Judge Dom in criminal court today on a charge of slaying Police Chief George Rae of West Newton on September 16. Selection of a jury was immediately started and six chosen by noon.

Scott escaped after the shooting and was captured a week later in Welch, West Virginia. Mrs. George Rae, the widow, occupied a seat at the counsel table.

LARGE AUDIENCE ENJOYS THE SPECIAL SERVICE

An audience which filled the church attended the special service in honor of the Fathers and Sons of the congregation, which was held last night in the Washington Avenue Presbyterian church. Shortly after seven o'clock they began to come and by 7:30 the last seat had been taken. The pastor preached a special sermon on the theme: "Father and Son," which was well received by the large audience. A special feature, which was enjoyed by all present, was the presentation in pantomime of the hymn, "Faith of Our Fathers," by twelve young ladies of the church under the direction of Eleanor Bake. The hymn was sung as a solo by Mrs. B. Frank Smith. This was said by the audience to be the most beautiful rendering of a great Christian hymn ever witnessed by the people of Charleroi.

This church has a full program of week-day activities. Monday evening the officers and teachers of the Sunday school will meet for a conference with Mrs. Edwin McKay. Wednesday nearly a hundred of the members will meet to study the great world program of the church. Thursday evening there will be three meetings, two Sunday School class socials, and the regular monthly meeting of the Ladies Aid society at the home of Mrs. H. F. Lowstuter. Friday a large delegation from the Sunday school will attend the [illegible] which will meet in the Methodist Episcopal church at 3 p. m. At the close of the afternoon session the pastor will conduct a Round Table on Sunday School management.

RED CROSS IS URGING BETTER-HEALTH BATTLE

Tireless in Services Advancing Cause of Freedom from Human Suffering.

Not alone in preparedness for emergencies, but in a tireless offensive battle for better health is the American Red Cross nurse maintaining in peace time the high tradition of her war service. As in war, the same self-effacing service for humanity goes on its quiet, effective way content in its accomplishments, seeking no public acclaim. Enrolled in the Red Cross Nursing Service are 40,636 of these missioners of health, nearly 1,000 carrying the message of a finer public health to as many communities and 1,100 teaching large classes in home hygiene and care of the sick. Exactly 100 Red Cross nurses are still on duty overseas, helping the struggle forward toward the high standard of American nurse efficiency in many countries.

In the Government services 3,117 enrolled Red Cross nurses are on duty with the Army, Navy, Public Health Service and the Veterans Bureau, maintained as a reserve for the Army Nurse Corps and available to the Navy in a national defense emergency. Nine hundred nurses were added to the roll the last year.

Red Cross nursing, however, has perhaps its finest expression out in the places laid waste by fire, flood and storm, and in the back reaches far from the centers of population. In every disaster the Red Cross nurse is first called for, first to respond, and the last to leave her post of duty among the suffering victims. In the isolated sections of Alaska, North Carolina, Virginia, Idaho, and among the bleak islands of Penobscott Bay, Me., her ministrations are making hard lives easier and working for a brighter future for the children. Her part in the human drama of the time is increasingly important, although it is subdued by the very nature of her work.

The policy of the American Red Cross to establish under Chapter control public health nursing services in communities lacking such facilities has been justified and this pioneering work is everywhere endorsed by authorities who are quick to take it over as a proper municipal function and a duty of taxpayers. The Home Hygiene and Care of the Sick program has further penetrated into the schools as a definite part of curriculums. During the year 29,000 school pupils took this Red Cross course. Three telephone corporations adopted it and graduated 960 employe students.

As good health depends upon right eating the Red Cross Nutrition Service continued to promote individual and community health, particularly the health of mothers and children. This service reached nearly 150,000 persons during the year and found work to do for several thousand Red Cross volunteer workers.

Red Cross Fighting First Aid Battle To Conserve Life

Reliable records establish the fact that more than 75,000 accidental deaths occur every year in the United States. The records show that 206 American citizens are killed every day; that 38 of these deaths are due to automobiles, 35 to falls, 19 to drownings, 16 to burns.

Facing such distressing sacrifice of life is the First Aid Service of the American Red Cross, fighting through education and demonstration to instill a conciousness of safety in the public mind and teaching approved methods which assure that competent hands will care for injured persons until the arrival of doctors. Trained service in the first few minutes is vital in serious accidents and saves many precious lives.

One of the most encouraging signs of the past year is the record of the Red Cross First Aid Insurance Car No. 1 which traveled 9,700 miles along trunk lines, stopping at 137 places. The car's staff of surgeons gave 911 demonstrations to audiences composed of 42,150 railroad men, 71,000 high school and college students, 13,000 industrial workers, 2,000 members of clubs, and nearly 18,000 policemen, firemen, and other municipal employes, a total of 147,000.

Red Cross First Aid certificates were conferred upon 13,865 persons who took the course last year, an increase of 4,000 over 1923. Telephone, gas and electric companies, public service corporations and other large employers of the country adopted the Red Cross course, and their team contests everywhere were witnessed by huge crowds with as much interest as develops at popular athletic games.

In the industrial field the growth of First Aid practice to fight to reduce preventable accidents and unnecessary loss of life has received wide recognition. The promise of an unprecendented advance in this fine cause lies in the evidence of the great strides systematic instruction in First Aid has made throughout the country through the Red Cross Chapters and the the work of the experts in this service under direction of the national organization.

Sign the American Red Cross roll this year for humanity's sake.

It was predicted in England that the defeat of MacDonald would hurt La Follette. Harm from that source, if any, was quite overlooked in this country, there being so much that hurt him.

American Business Men Foster International Economic Survey

Americans are responsible for a world economic survey undertaken by the International Chamber of Commerce to determine what measures must be taken to stimulate production, revive industry and restore international trade to normal. The survey was initiated by business men constituting the U. S. committee of the organization, including: Above, Fred I Kent (left), vice president Bankers' Trust, New York; A. C. Bedford (right), president Standard Oil Co. of N. J.; and (below) Julius H. Barnes (left), Duluth grain mogul, Willis H. Booth, vice president Guaranty Trust, New York. The latter is president of the international chamber.

The occupation of the political prophets is gone, but there is plenty of room in large sections of the country for rain-makers able to guarantee a heavy down-pour. The native African tribes boast of many such, but could hardly be induced to spare them.

Something tells us that Calvin Coolidge could sing "Sweet Adeline" if the occasion called for it.
